The Departments of Education and Training of the provinces/cities directly under the Central Government report the data according to the form issued by the Ministry of Education and Training. Based on data from the Departments, the Ministry of Education and Training compiles data of the indicator.

### ***3.d. Data release calendar***

Year

### ***3.e. Data providers***

Ministry of Education and Training

### ***3.f. Data compilers***

Ministry of Education and Training

## ***4.a. Rationale***

Sex education, prevention of violence and abuse, and provision of knowledge about HIV is a matter of great concern to the whole society, so the introduction of basic education programs on sex and prevention of violence violence, abuse, providing HIV knowledge in teaching at schools is very necessary. Show the society's interest in educating children about gender, violence and abuse issues, providing facts about HIV so that children can protect themselves.

## ***4.b. Comment and limitations***

According to the Ministry of Education and Training: Education programs at all levels have initially integrated the necessary knowledge on sustainable development and climate change in relevant subjects such as Literature, history, geography, civic education. The mainstreaming method is currently being implemented through the selection of a number of sustainable development topics such as: gender equality, building a happy and progressive family, children's rights, HIV/AIDS drug prevention, and protection. natural resources and environment protection, climate change response, anti-corruption, etc. to be included in the curricula or extra-curricular activities at all educational levels.

## ***4.c. Method of computation***

Method of computation

Công thức tính:

$$\text{Tỷ lệ trường có chương trình giáo dục cơ bản về giới tính, phòng chống bạo lực, xâm hại; cung cấp kiến thức về HIV cấp học n (\%)} = \frac{\text{Số trường có chương trình giáo dục cơ bản về giới tính, phòng chống bạo lực, xâm hại; cung cấp kiến thức về HIV cấp học n}}{\text{Tổng số trường của cấp học n}} \times 100$$

## ***5. Data availability and disaggregation***

- 2019 general figures only
- No data by indicator subdivisions.

(Published source: 2020 national report on 5-year progress towards implementation of sustainable development goals, data from the Ministry of Education and Training).

## ***6. Comparability/deviation from international standards***

This indicator reflects the sustainable development goals of Vietnam (target 4.7), which are not included in the Global Sustainable Development Indicators.

## ***7. References and Documentation***
